

the sun did not shine - it was
was too wet to play - so we sat in
in the house all that cold , cold ,
wet day - I sat there with Sally
Sally - we sat there , we two - and
and I said , how I wish we had
had something to do too wet to go
go out and too cold to play ball - so
so we sat in the house - we did
did nothing at all - so all we could
could do was to sit sit sit sit and we
we did not like it - not one little
bit - and then something went
went bump how that bump made us

us jump we looked then we saw

saw him step in on the mat we

we looked and we saw him the cat

cat in the hat and he said to us ;

Why do you sit there like that I

I know it is wet and the sun is

is not sunny = But we can have

have Lots of good fun that is funny I

I know some good games we

we could play ; said the cat = I

I know some new tricks ; said

said the cat in the hat = a lot of good

good tricks = I will show them to you

you = your mother will not mind at

at all if I do - then Sally and I did

did not know what to say - our

our mother was out of the house For

For the day - But our fish said ; no

no no Make that cat go away tell

tell that cat in the hat you do not

not want to play - he should not be

be here - he should not be about

about - he should not be here When

When your mother is out now now

now have no fear - have no fear said

said the cat - my tricks are not bad ;

; said the cat in the hat - Why ;

; we can have Lots of good fun ;

if you wish ; with a game that
I call up up up with a fish put
me down said the fish - this is
is no fun at all put me down said
said the fish - I do not wish to fall
fall have no fear said the cat - I will
will not let you fall - I will hold you
you up high as I stand on a ball -
- with a book one one hand and
and a cup on my hat But that is not
not all I can do said the cat - - - look
look at me look at me now said the
the cat - with a cup and a cake on
on the top of my hat I can hold up

up two books I can hold up the
the fish and a little toy ship and
and some milk on a dish and look I
I can hop up and down on the ball
ball But that is not all Oh ; no - that
that is not all - - - look at me look at
at me look at me now it is fun to
to have fun But you have to know
know how - I can hold up the cup and
and the milk and the cake I can hold
hold up these books and the fish on a
a rake I can hold the toy ship and
and a little toy man and look with
with my tail I can hold a red fan I

I can fan with the fan as I hop on
on the ball But that is not all - Oh ;
no - that is not all - - that is
is what the cat said - - then he
he fell on his head he came down
down with a bump From up there on
on the ball - and Sally and I ; we
we saw all the things fall and our
our fish came down ; too - he fell
fell into a pot he said ; do I like
like this Oh ; no I do not - this is
is not a good game ; said our fish
fish as he lit - no ; I do not like it ;
; not one little bit now look what

what you did said the fish to the cat -

now look at this house look at

at this look at that you sank our

our toy ship ; sank it deep in the

the cake - you shook up our house

house and you bent our new rake -

you should not be here When

When our mother is not - you get out

out of this house said the fish in the

the pot - But I like to be here - Oh

Oh ; I like it a lot said the cat in the

the hat to the fish in the pot - I will

will not go away - I do not wish to

to go and so ; said the cat in the

the hat ; so so so - - - I will show
 show you another good game that I
 I know and then he ran out - and
 and ; then ; fast as a fox ; the cat
 cat in the hat came back in with a
 a box - a big red wood box - it
 it was shut with a hook - now
 now look at this trick ; said the cat -
 - take a look then he got up on
 on top with a tip of his hat - I call
 call this game fun in a box ; said the
 the cat - in this box are two things
 things I will show to you now - you
 you will like these two things ; said

said the cat with a bow - I will pick
the cat with a bow - I will pick

pick up the hook - you will see
pick up the hook - you will see

see something new - two things -
see something new - two things -

and I call them Thing one and
and I call them Thing one and

and Thing two - these things will
and Thing two - these things will

will not bite you - they want to have
will not bite you - they want to have

have fun - then ; out of the box
have fun - then ; out of the box

box came Thing two and Thing one
box came Thing two and Thing one

one and they ran to us fast - they
one and they ran to us fast - they

they said ; how do you do would you
they said ; how do you do would you

you like to shake hands with Thing
you like to shake hands with Thing

Thing one and Thing two and Sally and
Thing one and Thing two and Sally and

and I did not know what to do - so
and I did not know what to do - so

so we had to shake hands with
so we had to shake hands with

with Thing one and Thing two = we
 we shook their two hands = But
 But our fish said ; no no those
 those things should not be in this
 this house Make them go they should
 should not be here When your mother
 mother is not put them out put them
 them out said the fish in the pot =
 = have no fear ; little fish ; said
 said the cat in the hat = these things
 things are good things = and he gave
 gave them a pat = they are tame =
 = Oh ; so tame they have come
 come here to play = they will give you

you some fun on this wet ; wet ;

wet day - now ; here is a game

game that they like ; said the cat -

they like to fly kites ; said the

the cat in the hat - no not in the

the house said the fish in the pot -

they should not fly kites in a

a house they should not - Oh ;

the things they will bump Oh ;

the things they will hit Oh ; I do

do not like it not one little bit then

then Sally and I saw them run down

down the hall - we saw those two

two things bump their kites on the

the wall bump Thump Thump bump

bump down the wall in the hall -

Thing two and Thing one they

they ran up they ran down on the

the string of one kite we saw

saw mother's new gown her gown

gown with the dots that are pink ;

white and red - then we saw

saw one kite bump on the head of

of her bed then those things ran

ran about with big bumps ; jumps

jumps and kicks and with hops and big

big thumps and all kinds of bad

bad tricks - and I said ; I do not

not like the way that they play if
if mother could see this ; Oh ;
; what would she say then our
our fish said ; look look and our fish
fish shook with fear = your mother
mother is on her way home do you
you hear Oh ; what will she do to us
us what will she say Oh ; she will
will not like it to find us this way so
so do something fast said the fish =
= do you hear I saw her = your
your mother your mother is near so
so ; as fast as you can ; Think of
of something to do you will have

have to get rid of Thing one and
1423 1424 1425 1426 1427 1428 1429
and Thing two so ; as fast as I could
1430 1431 1432 1433 1434 1435 1436 1437 1438
could ; I went after my net - and I
1439 1440 1441 1442 1443 1444 1445 1446 1447
I said ; with my net I can get
1448 1449 1450 1451 1452 1453 1454 1455
get them I bet - I bet ; with my
1456 1457 1458 1459 1460 1461 1462 1463 1464
my net ; I can get those things yet
1465 1466 1467 1468 1469 1470 1471 1472
yet then I let down my net - it
1473 1474 1475 1476 1477 1478 1479 1480
it came down with a PLOP and I
1481 1482 1483 1484 1485 1486 1487
I had them at last those two
1488 1489 1490 1491 1492 1493
two things had to stop - then I said
1494 1495 1496 1497 1498 1499 1500 1501
said to the cat ; now you do as I say
1502 1503 1504 1505 1506 1507 1508 1509 1510 1511
say - you pack up those things and
1512 1513 1514 1515 1516 1517 1518
and you take them away Oh dear
1519 1520 1521 1522 1523 1524
dear said the cat - you did not like
1525 1526 1527 1528 1529 1530 1531 1532

like our game - - - Oh dear - what
1533 1534 1535 1536 1537 1538 1539 1540 1541

what a shame what a shame what a
1542 1543 1544 1545 1546 1547 1548

a shame then he shut up the
1549 1550 1551 1552 1553 1554

the things in the box with the hook
1555 1556 1557 1558 1559 1560 1561

hook - and the cat went away with a
1562 1563 1564 1565 1566 1567 1568 1569

a sad kind of look - that is good
1570 1571 1572 1573 1574 1575 1576 1577

good ; said the fish - he has gone
1578 1579 1580 1581 1582 1583 1584 1585

gone away - Yes - But your mother
1586 1587 1588 1589 1590 1591 1592

mother will come - she will find this
1593 1594 1595 1596 1597 1598 1599

this big mess and this mess is so big
1600 1601 1602 1603 1604 1605 1606 1607

big and so deep and so tall ; we can
1608 1609 1610 1611 1612 1613 1614 1615 1616

can not pick it up - there is no way
1617 1618 1619 1620 1621 1622 1623 1624 1625

way at all and then Who was back in
1626 1627 1628 1629 1630 1631 1632 1633

in the house Why ; the cat have
1634 1635 1636 1637 1638 1639 1640

have no fear of this mess ; said
no fear of this mess ; said the
the cat in the hat - I always pick up
up all my playthings and so - - - I
I will show you another good trick
trick that I know then we saw him
him pick up all the things that were
were down - he picked up the cake
cake ; and the rake ; and the gown
gown ; and the milk ; and the
the strings ; and the books ; and
and the dish ; and the fan ; and the
the cup ; and the ship ; and the
the fish - and he put them away -
- then he said ; that is that - and

and then he was gone with a tip
 then he was gone with a tip of
 of his hat - then our mother
 came in and she said to us two ; did
 did you have any fun tell me - what
 what did you do and Sally and I did
 did not know what to say - should
 should we tell her the things that
 went on there that day should we tell
 tell her about it now ; what should
 should we do Well - - - what would
 would you do if your mother asked you
